

You Deserve "Peace of Mind"

Statistics show that ...

- The average consumer drives their car longer and further than ever before
- The vehicle is still the second largest investment in most households
- You are more likely to use your service contract than other forms of protection
- You depend on your vehicle!

How much will you spend on the following types of protection over the next 5 years?

The following list describes some of the parts covered under the plan you have chosen to purchase

Comprehensive warranty coverage ...

- Will keep your car operating properly for years to come.
- Will protect your investment
- Is backed by sound insurance.
- Will provide you "Peace of Mind" to know you are covered!

Over a five year period, the average person uses his/her automobile protection coverage more than any other.
